

Goshen Fire Company Annual Subscription Fund Drive

Who we are

The Goshen Fire Company is an organization of volunteer firefighters, EMT's and special fire police working to protect the places where you live, work, and play. Every year, we ask our neighbors to become a subscription member of the fire company. This protects your family, and helps us to continue to serve your community.

Why is a 2012 Subscription membership important?

No one ever knows when an emergency will occur in the home, car, or workplace. One thing that you can be certain of is that the Goshen Fire Company will be there to help you or your loved ones in your time of need.

Subscription membership not only supports the Goshen Fire Company, but it could also **save you money if you need emergency ambulance services**. As a subscriber, you will not be responsible for any fee charged by the Goshen Fire Company for 911 emergency ambulance services that are not covered by your insurance. Many insurance plans do not cover the full cost of an ambulance transport which starts at \$775.

Subscription Memberships:

The four types of Subscription Memberships include:

- Family \$85.00
- Individual \$45.00
- Senior Couple (65+) \$60.00
- Senior Individual (65+) \$35.00

Family subscription membership includes two adults and any children under 18 (or who are full time students) living in the same household. Additional adult(s) in the household will require additional individual or senior subscription memberships.

IMPORTANT

Please do not delay in becoming a subscription member and help us to continue to serve our community. Send in your subscription by **December 31st** to insure you are protected for the entire year.

General Information

The Goshen Fire Company (GFC) has been serving the community since 1950. We are a nonprofit corporation providing fire, rescue, and emergency ambulance service to East Goshen Township and parts of West Goshen, Westtown, and Willistown Townships. These services, and many more, are provided by highly trained and dedicated volunteers. In addition, we have eight full time career staff that help provide service during peak hours. **We respond to about 3,400 ambulance, 700 fire and rescue calls, and 600 fire police calls per year.**

Dates to Remember in 2012
